Triune Music » Pre-Owned

An eleven rank Tellers pipe organ from the 1960s was updated with a new Rodgers three-manual console expanding the organ to a total of fifty ranks. An aging pipe organ is potentially a good candidate for creating a hybrid pipe organ by replacing a failing console with a new digital console and updating the pipe control system.

The Rodgers 589-3 manual organ truly
accompanies the congregation's singing
and enhances the worship life of our
congregation. What an improvement over
our previous used-organ from the
1970's. We knew we had to do something
because a nail file kept it going.
