Active Reading Note-taking Guide Science Grade 8

GENERAL notes on reading: Genre matters: reading strategies will vary depending on what type of publication you're reading. Here, we will be addressing academic materials, including textbooks, academic articles, presentations, and more, but not including novels, poems, and visual content.

Tooling and Studying: Effective Reading and Note-Taking ...

Active reading takes more time. Make sure to leave enough time for students to truly engage with the text. Choose one or two active reading strategies and use them

early and often. When students are familiar with the routines, they will get more out of them. Use the same reading strategies across subject areas – they are not limited to science.

Active Reading Strategies | Science Notebook Corner

Note-taking and active reading templates are used by students to take notes while they are reading a text, and provide spaces for them to organize information. Why are they important and how are they best used? Note-taking is an important skill for students to develop, especially because it helps them become active readers and critical thinkers.

identifying the title of the article and adding it to the chart after the “T =” symbol. Then, read the next two sentences and zero in on a specific idea from the passage (in this case, one idea would be climate extremes). Demonstrate writing the specific idea (climate extremes) in the T-chart, next to the key symbol.
