For the first time ever, the prequel and book 1 of the Artifacts Cycle together in one volume. Before the Brothers' War, before the five colors of magic, before history itself, Dominaria was ruled by the Thran, an ancient race who built machines and artifacts, the likes of which have never been seen since. But amid this civilization, a shadow took root, one that would stretch its arms across ...

Sets of Five I MAGIC: THE GATHERING

I think it's possible it's a Mythic Legendary Artifact cycle, but it's also possible that Circle of Loyalty and Embercleave are part of a general mythic legendary cycle with Questing Beast and Lord Rankle (and a Blue card to be named later).
