Japan Transformed: Political Change and Economic ...

Frances McCall Rosenbluth and Michael F. Thies's Japan Transformed: Political Change and Economic Restructuring provides a comprehensive [End Page 195] analysis of the ways that politics and economics have interacted in postwar Japan. The authors' political economy approach sheds light on some of the most important questions of postwar Japanese politics: What explains the dominance of the ...

Project MUSE - Japan Transformed: Political Change and ...

Japan Transformed explores the historical, political, and economic forces that led to the country's recent evolution, and looks at the consequences for Japan's citizens and global neighbors. The book examines Japanese history, illustrating the country's multiple transformations over the centuries, and then focuses on the critical and inexorable ...

Japan Transformed: Political Change and Economic ...

In Japan Transformed, Rosenbluth and Thies offer a major contribution to ongoing debates about how and why contemporary Japan differs from the oft-examined Japan of the earlier (1950-1980) post-World War II era. In this wide-ranging study that ultimately pivots around the 1994 electoral reforms, the authors examine both the causal processes and policy consequences of change in Japan post-1990.

Japan Transformed: Political Change and Economic ...

Japan Transformed: Political Change and Economic Restructuring Frances McCall Rosenbluth and Michael F. Thies. In "Japan Transformed," the co-authors critique the political economy of one of the world's leading economic powers - within the broader framework of economic globalization - and show how one nation has been able to reinvent itself in recent decades after a period of ...

"Japan Transformed brings together history, culture, politics, and economics to illuminate the major developments of postwar politics in a way that will appeal to Japan specialists as well as broader audiences. . . . Rosenbluth and Thies's book makes a significant contribution to the literature on Japan's political economy.

Japan - Economic transformation | Britannica

Japan - Japan - Political developments: The LDP continued its dominance of Japanese politics until 1993. Its success in steering Japan through the difficult years of the OPEC oil crisis and the economic transition that substituted high-technology enterprises for smokestack industries in the 1970s and '80s, thereby restoring Japan's international economic confidence, was not lost on the ...

Japan Transformed | Princeton University Press

Deep changes are under way in Japan's political economy, prompted by a reorganization of the dominant economic interests in Japan and underwritten by new rules of political competition. But in another sense, Japan is the very embodiment of stability, for these changes have not called into question the legitimacy of democracy itself.
