Rethinking Masculinity Studies: Feminism, Masculinity, and ...

As already suggested, the emergence of masculinity studies through a gender theory paradigm had ties necessarily to feminism and women's studies. Some of the emerging scholarship is even published within series that explicitly names these roots, as when the University of Chicago Press released Gail Bederman's *Manliness and Civilization* (1995) within their *Women in Culture and Society* series.

Masculinity Studies – Literary Theory and Criticism

Feminist theorists, therefore, sought to expose and problematize the construction and role of masculinity as part of understanding patriarchy and the dominant positioning of men. These strands of feminist thought played a critical role in the subsequent surfacing of masculinity studies in the academy nearly a decade later.

Masculinity Studies and Feminist Theory : Judith Kegan ...

The feminist critique of masculinity as that against which women are defined as ‘ the Other ’ has a long history, but writing on masculinities grew enormously from the 1980s onwards. In the words of one contributor, ‘ it seems as if every man and his dog is writing a book on masculinities ’ ( MacInnes 1998: 1).

Masculinity/ Masculinities – Literary Theory and Criticism

Existential and phenomenological feminists focus on how women have been marginalized and defined as “ other ” in patriarchal societies. Some feminist theorists focus specifically on how masculinity is developed through socialization, and how its development interacts with the process of developing femininity in girls.

Feminist Theory: Definition and Discussion

Connell emphasizes that masculinity is constantly evolving, meaning the curriculum and research of this field will always change. Michael Kimmel, an American sociologist and feminist specializing in gender studies, has written about manhood in America. According to Kimmel, masculinity began to be defined and reaffirmed around 19th century America.
