### Matron - Wikipedia

The role of matron is one steeped in nursing history and the public's perception. With a new matron's handbook being published, Nursing Times has looked at the role today and what it means to those with the title.

Matron: What does the title mean to nurses today ...

The chief nurse, in other words the person in charge of nursing in a hospital and the head of the nursing staff, is called nursing officer in UK English, and head nurse or director of nursing in US English, and matron or nursing superintendent in Indian English.. The chief nurse is a registered nurse who supervises the care of all the patients at a health care facility.
