R.U.R. - Wikipedia
RUR stands out for that third R, the first place robot was used to describe mechanical golems. In Capek's play, the robots are more like the modern cylons in BSG, indistinguishable from humans. The play tells the tale of the island factory where the robots are made, the worldwide demand for robot labor fast bottoming out the world work economy.

Gall wants to include pain in the creation of the robots, for purely and blindly industrial reasons. With robots flooding the labor force, the managers rhapsodize about a utopian future: "Everyone will be free from worry and liberated from the degradation of labor. Everyone will live only to perfect himself" (15),...
