| Kirkus Reviews

"Searoad," a collection of short stories set in a small town on the Oregon coast, is a step away from the wonderful SF/fantasy stories that Le Guin normally writes. It is also, in my opinion, Le Guin's absolutely best work, and that's saying quite a bit. With "Searoad" Le Guin proved that she is a master fiction writer in any genre.

Ursula K. Le Guin - Author
If you have read an Ursula K. Le Guin novel, likely it is A Wizard of Earthsea, or perhaps The Left Hand of Darkness or The Dispossessed. But she wrote so many more books than those. She wasn't as prolific as some science fiction and fantasy authors, but she filled a career of five decades with remarkable works that will
