Soccernomics by Simon Kuper - Goodreads

Soccernomics (previously published as Why England Lose) answers them. Written with an economist's brain and a football writer's skill, it applies high-powered analytical tools to everyday football topics. Soccernomics isn't in the first place about money. It's about looking at data in new ways. It's about revealing counterintuitive truths about ...

Soccernomics: Why England Loses, Why... book by Simon Kuper

I've only read the first chapter of this eye-opening book ("Why England Loses and Others Win") and have to say it's a blast. If you enjoyed Freakonomics and Moneyball (and you care about soccer) you'll enjoy Soccernomics -- it's those two books (with soccer, of course, substituting for baseball) blended into one. Quite intriguing.
