Review: 'The Price of Everything ... - The New York Times

Great article!! So I am just starting to sell my art and I am worried that I will not find a demand for my art if I sell it at the price I want to. I read somewhere that if you price your art high, it will be valued high, which I want very badly. But I NEED a regular income as I do not have a winter job and I am going to college next fall.

Do's and Don'ts of Pricing Your Artwork | Artwork Archive

5. Price your art proportionately. The method that makes the most sense to prospective buyers and is used by most dealers is to price your art according to size. Obtain your square inch price by multiplying length times width and dividing your selling price by the total number of square inches.

How to Price Your Art - RENEE PHILLIPS

To gain confidence in your ability to determine whether, for you, a work's price and value are aligned, Levin suggests developing relationships with ten to fifteen young galleries—and make a point of visiting each of them once a month. "Much new art looks exciting in the context of the gallery opening or art fair," he said.

Mastering the Art of Pricing: What the Textbooks Don't ...

"There are a lot of people who know the price of everything and the value of nothing," the art collector Stefan Edlis remarks in Nathaniel Kahn's new documentary. The words, unattributed in the film and the source of its title, come from "Lady Windermere's Fan" by Oscar Wilde, where they supply the definition of a cynic.

How To Price Your Artwork - Agora Gallery - Advice Blog

Pricing your art is different from making art; it's something you do with your art after it's made, when it's ready to leave your studio and get sold either by you personally or through a gallery, at an art fair, online, at open studios, through an agent or representative, wherever.

How Any Artist Can Price Their Art for Sale - Art Business

Along with a house and a college education, a car is often one of the most expensive things you'll ever purchase. Unlike with college tuition (which you can't negotiate at all), or a house (which you typically negotiate through a real estate agent), haggling over the price of a car requires in-the-moment, face-to-face interaction. The [...]
