The Hard Road To The Softer Side: Lessons from the Transformation of Sears is the story of how Sears recovered from this downfall, told by the visionary who built the team that forged the company's rebirth. When Arthur Martinez took charge at Sears in 1992, he found a once-great company facing a loss of \$4 billion, with a Soviet-style bureaucracy, little idea of its target customer, and an army of 300,000 disheartened employees.

The Hard Road to the Softer Side: Lessons from the hard road to the good life."2 Perhaps this idea that suffering might lead to good things shouldn't be such a surprise. After all, it's also an idea that is found in the Bible. Our faith offers a promise from God to work all things (including, one might assume, painful and traumatic experiences) "together for good for those who love
