Dangerous: Risky Business / Storm Warning / The Welcoming ...

I like some Nora Roberts books, but not this one. It almost seems heavily abridged- there is so little to the plotline and events, and so little sense of time passing, that the dialogue and feelings and character interactions don't make any sense. Plus the writing is thin and very cliched. Even if you like Nora Roberts, skip this one.

The Welcoming : Nora Roberts : 9780727888808

The hero and heroine remain on the two dimensional side of real in terms of their emotions which are too heavily signalled, and I wound up skim reading pages and pages - which doesn't usually happen with a Roberts novel - and just not believing. I do enjoy Nora Roberts' work, but every now and again, there's a dud.

The Welcoming by Nora Roberts

Nora Roberts is the #1 New York Times bestselling author of more than 200 novels. She is also the author of the bestselling In Death series written under the pen name J. D. Robb. She is also the author of the bestselling In Death series written under the pen name J. D. Robb.

The Welcoming - Kindle edition by Nora Roberts. Literature ...

I'm a big Nora Roberts fan and haven't read a book by her I didn't like, and The Welcoming is no exception. It's one of her early works, which does show, but it's still an enjoyable read. Roman and Charity are easy to fall for. The undercover FBI-agent and the charming owner of an idyllic inn fall head over heels in love, but there is danger to avert.
