Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

TV Guide not working - Sky Community

I seriously cannot find a way for that not happening, I've tried everything, and telling me that it works for you isn't helping my situation as it may not work fine for everyone! It's ridiculous how Sky is making their online TV guide this bad that it doesn't even work for some people (myself included)!

Sky TV Guide online not working - Sky Community

Online TV Listings not working at all. UVerse used to have a nice interface for online TV listings. I believe it was designed by Yahoo. However, a few months ago, UVerse adopted a new format. For a while, you could still get the old one if you knew the link, but it finally disappeared a month or so ago.
