Sometimes, you just don't understand what is happening around you unless you are looking at it from a third POV or when someone tells you about it in the future. This is how the main lead realizes that a lot of things he thought he knew in the past were actually not really the case when he looked at it from the POV of a teacher's, watching himself and his friends slowly change.*

You can take your open letter, your lies, and your disrespect for me and writing in general and shove it up your ass. I don't know how you sleep at night. Shey. I don't know how you close your eyes and dream. I don't know how you open a computer and "write" without guilt eating you alive. All we asked from you was to apologize and not do it again.*
